Hello. We're Virgin Australia. And we're back (in a big way).

We're the airline that's always done things a little different. Our way. The Virgin way. For us, flying is so much more than simply taking off and landing (although we understand that is quite important). It's about going the extra mile, in the air and on the ground, to create authentic experiences that put our guests firmly at the heart of everything we do.

### Who we're looking for:

The objective of the Front End React Web Developer is to work within our Internet Booking

Engine team to customise the front end of our guest booking application on VA.com. The role involves developing front end solutions as directed by the product owners of the Internet Booking Engine Team using leading development practices and cutting-edge technologies, which will provide additional value to our guests and helps Virgin Australia to be Australia's favourite airline.

### **What you'll be doing:**

- Assist the lead developer with solutions design and implementation
- Translate designs and wireframes into high-quality code
- Ensure that all projects meet performance standards and comply with relevant safety standards
- Research development improvements and keep up to date with the best software practices
- Ensure that strong stakeholder engagement is established and maintained across the team

### **You'll be great in this role if you:**

- Extensive experience with rich JavaScript web application frameworks, such as React
- Strong skills in core JavaScript and Typescript, basics of HTML5, CSS3
- Experience in testing tools, Devops tools (Gitlab, Jira, Confluence)
- Solid understanding of frontend technologies
- Expertise designing, developing and implementing high performance web applications
- Good understanding of responsive design, browser behaviour, and compatibility
- Experience working with responsive web designs and mobile web sites
- AEM is a bonus

### **What you'll get from us**

We're committed to looking after you, with some of the best benefits and conditions in the industry – including (but not limited to)

- Heavily discounted air travel for you and your loved ones (including \$1000 worth of travel credits per year)
- Flexible working arrangements (including work hours and work from home)
- Discounts on travel insurance, car hire, accommodation and experiences worldwide
- Discounted Virgin Australia Lounge membership
- Hospitality, retail, technology, beauty services and wellness discounts
- Wellness support, including the *betterme* digital wellbeing platform
- A comprehensive Employee Assistance Program, which offers confidential coaching and support from qualified professionals for all aspects of life – physical, mental, social and financial
- Dress for Your Day – enjoy the freedom to wear whatever is appropriate for the type of

work you do and the day you have ahead of you

## Equality rules

We're all individuals. We love that. That's why we encourage applications from Indigenous Australians, people with disability, those from diverse cultural backgrounds, our friends in the LGBTQI+ community, and anyone else who wants to join our family.

## COVID-19

The safety and security of our people, guests and operations come first. Always. That's why we've put together a comprehensive 'Mandatory COVID-19 Vaccination Policy'. In a nutshell, to work with us, you'll need to comply with our (and the airport's) rules and regulations. And be fully vaxxed.
